## Re-enrollment information per PAP program

### AbbVie

- Submit same application and process
- Company does send application in mail for Medicare patients

### Amgen

- Company will send application for patients already enrolled

### AstraZeneca

- Automatically re-enrolling Medicare patients for 2023.
- Each patient will need new prescription e-scribed

### Bausch Health

- The program requires that you re-enroll every year by completing a Bausch Health Patient Assistance Program application form. A notice regarding re-enrollment will be sent to you 60 days prior to the anniversary date of your participation in the program or, in some cases, by December 31.

### Boehringer Ingelheim

- Re-enrollment forms are sent out after October 15<sup>th</sup> to the patient's home

### Bristol Myers Squibb

- Beginning in November, a new application will be mailed to the patient and the provider office will be faxed that it is time to re-enroll patient
- Re-enrollment application is the same as initial application

### GlaxoSmithKline (GSK)

- Company will send out re-enrollment forms to patient's home 2 months prior to enrollment period end date
- Patients with Medicare Part D need to re-apply to the GSK Patient Assistance Program each calendar year after they have spent at least \$600 on prescription medicines through their Medicare Part D Prescription Drug Plan.

- Fax or mail your completed enrollment form and documents to the GSK Patient Assistance Program. Faxed prescriptions are only valid if faxed directly from a physician's office. Applicant's name and date of birth must be on each faxed page.
- If you are eligible for continued assistance through the GSK Patient Assistance Program, your first refill will automatically be sent to the address provided on the application.

#### Johnson & Johnson

- All patients up for renewal will receive an application approximately one month prior to enrollment end date, which include pre-filled patient and provider information
  - Renewal application is otherwise identical to initial application

#### Lilly

- Letter will be sent to patient only notifying them that it is time to renew 2.5-3 months before enrollment end date
- Application is the same as initial enrollment application
- Medicare patients can start re-enrollment November 2<sup>nd</sup> for the following calendar year

#### Merck

- Every patient must submit renewal application, which is same as original application
- Renewal application for Medicare patients sent out by company if requested and has two questions in addition to a new application
  - Signature for financial hardship
  - Yes or no for Medicare B or D
- Cannot be submitted until December

#### MyPraluent

- Re-enrollment process is completion of a new original application
  - Company does **NOT** send a renewal application to patients
- Approval through December 31<sup>st</sup> for Medicare beneficiaries, 365 days for uninsured patients

#### Mylan (Viatris)

- Renewal application is the same as original application
- Can submit renewal application 4-6 weeks prior to enrollment end date, which is 365 days from date approved

#### Nestle Health

- Will need to reapply about 30 days from your application expiration date; company will send a reminder letter in the mail when it is time to reapply
- Medicare patients will need to reapply after open enrollment annually

#### Novartis

- Patient will receive re-enrollment application 45 days prior to enrollment end date
- Providers office will be faxed same day re-enrollment application is sent in the mail
- Re-enrollment application is the same as the original application

#### Novo Nordisk

- Re-enrollment can begin 30 days prior to the end of enrollment end date or after October 15<sup>th</sup> for Medicare patients
  - Medicare part D patients are approved for calendar year, uninsured or Medicare part A/B are approved for 365 days
- Re-enrollment application is identical to original application
- Company typically sends application for renewal by mail to patient's house

#### Otsuka

- Patients need to reapply 30-45 days prior to enrollment end date
  - Medicare patients: December 31<sup>st</sup>
  - Uninsured patients: 365 days
- Company will reach out to patient via telephone to discuss re-enrollment each year

#### Pfizer

- Medicare patients can begin reapplying in October for the subsequent calendar year
- Company does **NOT** send renewal reminder or application
- Re-enrollment application is the same as the original

#### Sanofi

- Medicare patients **CANNOT** reapply until January of the calendar year they are applying for
- Uninsured patients can apply for re-enrollment 60 days prior to enrollment end date
  - Uninsured patients enrollment end date is 365 days, Medicare through end of the calendar year
- Company does **NOT** send out renewal reminders or re-enrollment forms

#### TAKEDA

- Company sends letter 60 days prior to enrollment end date as reminder to re-enroll
  - Medicare patients enrollment end date is December 31<sup>st</sup> annually
  - Uninsured patients enrollment end date 365 days from approval date
- Company does **NOT** send application to patient
- Re-enrollment application same as original application

#### TEVA

- Re-enrollment can begin 30 days prior to enrollment end date
  - Enrollment end date is 365 days from approval date
  - Only accepts Medicare A,B or uninsured
- Application and fax are sent to provider office prior to enrollment end date
- Letter is sent to patient prior to enrollment date

---
